Dear Incoming Preschool/Kindergarten Parents and Guardians,

The Washington Borough PTO welcomes you and your future star student to the Washington Borough School District. As a new member of our school family, we hope very much that you will consider joining the PTO.

The PTO plays an important role in supporting the school district's in-school assemblies, academic resources and other vital educational and extracurricular activities critical to your child's overall school experience. Being a member of the PTO is an excellent way for you to learn all about the great programs available for your child and family. Making new friends, staying informed and contributing to your community, are added benefits of membership and participation in the PTO. Our meetings are held in September, November, February & April at 7:00 p.m. We look forward to seeing you there.

Joining the PTO is easy, please go to <https://my.cheddarup.com/c/pto-membership-4456>. An individual membership is \$5.00.

Finally, during this exciting time in your child's life, please do not hesitate to contact us with any questions or concerns. While we may not always have the answers, we will certainly try and point you in the right direction and help make this transition as happy and stress-free as possible for your family.

Sincerely,  
Jessica Lyons
