FROM THE HEALTH OFFICE

Health Screenings... The New Jersey Department of Health has advised New Jersey school nurses to conduct annual health screenings of Height, Weight, Blood Pressure, Hearing and Vision. If your student is virtual and you would like to have them screened for Height, Weight, Blood Pressure, Vision and Hearing please call the nurse at Taylor Street School, Ms. Stocker at 908-689-3549 or Memorial Elementary School, Mrs. Knauer at 908-689-5480 to schedule an appointment. Health screenings will be done by appointment only in April or May. Only the child may enter the school for their screenings, parent/guardian will have to remain in their car.

Proper Footwear... Students in our district consistently engage in physical activities throughout the day. We support daily activities for all children. Therefore, we strongly recommend children wear footwear suited for running, jumping, and climbing. Sneakers are always your best choice for safety!
