August 13, 2021

To the Washington Borough School District Community:

The Warren County Special Services School District is pleased to announce a partnership with the Washington Borough School District to provide supervision for your children after the end of the school day.

The hours of supervision will be from dismissal through 5:30pm on school days only. In the event of an emergency early dismissal (i.e. snow), there will be no aftercare on that day. Subscription to this program will be on a month-by-month basis, at a cost of \$200 per month, per child. Payment is expected by the first day of each month to secure your child's spot in the program.

In order for this program to get started, we will need to meet a minimum number of subscriptions, so if you are interested, please register via this link ([click here](#)) as soon as possible, but no later than August 25, 2021. Of course there is also a maximum capacity that we can accommodate, so subscriptions will be taken on a first-come, first-served basis. We expect that by no later than August 26, 2021 we will be able to confirm that the program is going ahead for September, as well as communicate to families that their child(ren) are subscribed or whether they are on the waiting list.

Should you have any questions, please feel free to email me at j.schlessinger@wcsssd.org.

Sincerely,

Jim Schlessinger
Business Administrator
