

Washington Borough School District Superintendent Search Parents, Community & Staff Input

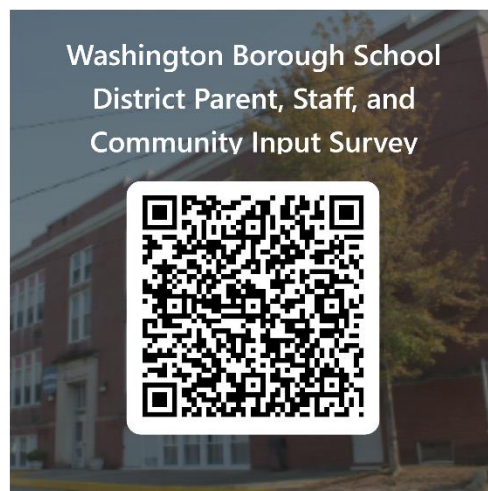

The Washington Borough Board of Education invites you to participate in providing valuable input for the superintendent search process that is in progress. Our search consultant, Patricia Rees, of the New Jersey School Boards Association, has developed a survey tool to accomplish gathering community, administrators, and staff input. Information gathered will be used to shape a variety of candidate review documents and the interview questions.

All input is **anonymous** and will be provided to the board to assist them in:

- selection of candidates to interview,
- development of interview questions, and
- selecting the finalist.

Community members, staff members and administrators are invited to open the SURVEY link below.

The survey will close on April 28, 2023
