

AFTER SCHOOL READING PROGRAM

Through the power of multi-sensory, phonics-based instruction, boost your student's reading skills with fun, research based weekly lessons. In a small group setting, your student will receive personalized attention to meet their unique reading needs.

- We incorporate, sound, sight, touch and movement to make learning phonics enjoyable
- Your child will review essential skills to build a strong reading foundation
- Enrollment open for K - 4th grade

Sessions Offered Monday through Friday
\$35 Per Hour

Limited Space is Available!
